

Rate the Response

Use this document for the additional Rate the Response content in the Focus LS Resource Portal. You may either type your notes directly into this document, or print it off and write your notes by hand.

1. Play each response and circle the appropriate CELPIP Level range from the given choices.
2. Write some of the strengths and weaknesses of each response. You may wish to refer to the Performance Standards in *Focus LS* – Unit 6 to help you.
3. Check the answer key for an explanation of each response’s level range.
